

arc 44 wireless

ARC-Wireless is a commercial-grade wireless fast charging module that can be fitted directly into furniture for a minimalist look. The compact yet powerful ARC-Wireless will fast charge smartphones on contact.

With up to 15W of charging power, ARC-wireless is one of the fastest wireless chargers on the market. Convenient for either a full charge or a quick boost when you need it most. ARC-Wireless is simple to install in a Ø44mm cutout in furniture.

- Fast charge up to 15W
- Small profile, minimalist finish
- Quick installation in a Ø44mm cutout
- Commercial grade, premium design
